BRAKEMAN DIES IN LOCKUP; TOO MUCH WHISKEY THE CAUSE.

Charles Willhide, Arrested for Intoxication Last Evening,
Could Not Be Awakened This Morning.

THE END CAME QUIETLY.

Follow Prisoners Heard No Sound
From Him After Being Locked Up,
Nor Did Officers Who Were In and
Out of the Bastille at All Hours.

Charles Willhide, a Baltimore & Ohio brakeman, died in the lockup some time during the night from apoplexy, superinduced by alcoholism. Willhide was arrested shortly after 9 o'clock last evening by Officers Lowe and McCudden. He was visibly intoxicated and had what Officer Lowe described as a "laughing" face. He was arrested along the Pennsylvania railroad tracks near Pittsburg street. This morning when an inmate of the lockup woke up the other prisoners he could get no response from the man in cell No. 1. Investigation showed that the prisoner's limbs were rigid. Fire Police McCormick was told of the matter, and he in turn spoke about it to Fire Chief Mitchell. Burgess Solson was also told of the matter. The man's body was removed to the undertaking establishment of J. B. Sims and prepared for burial. From papers on his person it was learned that he had a wife and family at Granton, W. Va. He had been boarding at the home of Mrs. Ida Kern on Morton avenue, for the past ten months. He ran on the Pittsburg division as a brakeman. From the letters from his wife found on him it is evident that Willhide was a steady drinker. The Chief of Police at Granton has been notified to inform Willhide's wife of his death.

Although the envelopes to him are addressed "Willhide," his wife calls him Charles. It is presumed that he was working here under an assumed first name. Inmates of the lockup say that after being carried to the cell Willhide had nothing to say. Before being locked up he was very loquacious, although badly under the influence of liquor. Undertaker Sims said this morning the condition of the man's body would indicate that he had been dead for five or six hours before being discovered. Police officers were about the building at all hours of the night. Had the man made an outcry he would have been heard. In addition to those officers who were in and out while making arrests, Fire Police Harry McCormick stayed at City Hall until 2 o'clock this morning and did not know anything was wrong. It is supposed the man died while asleep.

PROHIB. MEETING.

The Water Wagon Advocates Will Be
at the Casino Theatre This
Evening.

A meeting of the Prohibition and Citizens' ticket advocates is scheduled for the old Casino Theatre this evening. All of the county candidates on both tickets, including E. L. Robinson, who is making a strenuous campaign for Justice of the Peace, and Citizens' ticket, will be present. The chief address will be made by Candidate Robinson. Considerable effort has been made to drum up a crowd for the meeting this evening. A brass band will be out and many cold water men from different parts of the county are expected to be on hand.

POLICE PATROLS ARE ARRANGED.

Burgess A. D. Soisson Has Assigned All of the Officers to
Regular Beats for Halloween Season.

Burgess A. D. Soisson declared this morning that never since he has been in office has the town been so well patrolled as during the Halloween season. He has a special officer on duty to help out the regular men, and has assigned each man to a beat. This order went into effect Tuesday evening, and will continue in force until after the young folks of town have gotten their good dose. Chief Rottler is guarding the destinies of the Association Ground and Dutch Bottom; Officer John A. Lowe looks after the North End; as far as Sligo; Officers Anderson and Snyder are on the Pine-ville Mike McCudden patrols

FOUR PRISONERS

Appear Before Burgess Solson for
Sentence This Morning.

Four prisoners appeared before Burgess Solson this morning for a hearing. Andy Letovitz and John Gate were arrested last night for fighting after they had retired to a room in a Water street hotel. Gate said an English speaking man came into the room and hit him with a pitcher. They were fined \$25.00 each on charges of drunkenness. John Storey, charged with being drunk and disorderly at his hotel, was held for a further investigation of the case by the Burgess. John Maly, a waiter arrested on suspicion, was directed to get a job today or leave town.

HALLOWE'EEN NIGHT.

All Sorts of Pranks May Be Expected
in Town—Lads Didn't Forget
It Was Corn Night.

Hallowe'en will be celebrated tonight in the usual way. This is one of the most festive times of the year. There has been no organized celebration planned here, but the youngsters are expected to make their mischief. Several hallowe'en parties and dances have been planned. Last night was corn night and the streets this morning showed that the occasion had not been neglected of forgotten. In New Haven it was rather rough on the dark street, one woman being hit in the eye with a potato and painfully hurt.

SABBATH OBSERVERS

Meet in Uniontown and Are Addressed
By J. A. Eby of Connellsville.
Officers Elected.

UNIONTOWN, Oct. 31.—A meeting of the Sabbath Observance Association of Fayette county was held here yesterday afternoon at 2 o'clock. Those selected were: President, Rev. J. S. Leland; Secretary, Rev. J. S. Leland; Treasurer, Rev. J. S. Leland; Finance Committee, J. M. Cochran, W. P. Baird, W. S. Byrman, C. E. Hank and Alexander Laird. Delegates from 15 sections of the county were present. Among those making addresses was Rev. John A. Eby, of the Connellsville Y. M. C. A.

BRIDE DISAPPEARS.

Supposed to Have Eloped With Italian
Admirer from Orient.
Young and Pretty.

UNIONTOWN, Oct. 31.—County Detective Alex McElroy is searching for Mrs. Pauline Salsluk, who disappeared some weeks ago, deserting her young husband, Andrew Salsluk, a miner at Orient. It is thought that she has eloped with an Italian who was a miner of hers. Andrew and his bride had been married but ten weeks. He thought at first she would return, but when she came not, he took the matter up with the county authorities. Andrew is 23 and his bride is 15.

IN RECEIVERS' HANDS.

The Akron Bank Whose Cashier
Committed Suicide Sunday.

AKRON, Oct. 31.—(Special.)—The Dollar Savings Bank went into the hands of Charles Dangle as receiver today after failure. The directors will get other banks to take over their assets and pay one hundred cents on the dollar. This is the bank whose cashier, Fred A. Bern, committed suicide Sunday.

Thanksgiving in Canada.

TORONTO, Ont., Oct. 31.—(Special.)—Reports from many points indicated a wide observance of "Thanksgiving Day" throughout Canada today. In the larger cities the day was observed with religious services, military parades and maneuvers, and various forms of athletics.

CHICAGO, Oct. 31.—(Special.)—None of the maintenance crews of the Rock Island system will be disturbed by orders of President Wheelock for retrenchment of 2,500 men.

Pittsburg Exchange Closed.

PITTSBURG, Oct. 31.—(Special.)—The Stock Exchange remained closed today. No information is given when it will reopen.

Married by Quire.

Squire W. P. Clark yesterday afternoon married Mr. Anderson and Catherine Dangle.

Carbon Miner Killed.

Daniel Karmey, a miner of Carbon, was instantly killed by a coal train on the Pennsylvania railroad.

ONLY ALARM CLOCK THOUGHT THE COPS.

It Sounded in Scottdale Jewelry Store, but in
Vain.

F. E. LEITZELL'S SHOP LOOTED.

Police in the Vicinity When Burglar
Entered Rear of Store, but They
Mistook Burglar Alarm for Alarm
Clock That Was Out of Gear.

SCOTSDALE, Oct. 31.—Because two policemen mistook a burglar alarm in the store of F. E. Leitzell at an early hour this morning for that of a clock, burglars were enabled to get away with several hundred dollars' worth of jewelry. The store was thoroughly looted. Everything but the safe was broken into. The shelves and cases were ransacked through and everything of higher value in them gathered up and carried off. The entrance was gained through a rear alley adjoining the Y. M. C. A. quarters. The burglars must have been especially bold or else returned to complete their work after they had set off the burglar alarm. Two policemen were in the vicinity of the store at the time of the robbery. They remembered this morning when the robbery was reported that they had heard an alarm clock ringing loud and long this morning, but thought it was one or several in the store that had been wound up. Instead of the alarm being from the clock it was from the burglar alarm. The police, it might be stated, had not been notified that the alarm had been placed in the store, or they would have investigated. This is the first robbery in Scottsdale in over a year. There is no clue.

BACK PAY 45 CENTS.

Captain Joseph Balsey Receives It
From Uncle Sam After 42
Years' Wait.

Captain Joseph Balsey of Indianapolis, a brother of J. R. Balsey of New Haven, and a veteran of the Civil War, and who is now in Connellsville, is in receipt of a check from the United States Government at Washington, for the amount of 45 cents as pay which has been due him ever since the war. The document is a regular Government check, bearing the United States seal, and is signed and countersigned by numerous officials, showing that it has gone the rounds in reaching Captain Balsey. To the Captain the amusing part of the affair is that he did not know until recently that the Government was indebted to him.

Believed Accused Actor Has Jumped His Bail Bond.

NEW YORK, Oct. 31.—(Special.)—Detectives are scouring the city for the actor, Raymond Hitchcock, indicted by the Grand Jury for wrongfully taking girls. The police declare he jumped his \$2,000 bail.

BROUGHT SHOPPERS IN.

Foreigners Take Advantage of Frick
Plant Layoffs.

The laying off of a number of plants of the H. G. Frick Coke Company today has resulted in a number of foreign shoppers coming to town. The streets resemble Saturday in many respects and every West Penn car running into town or out of it is well filled with foreigners, who are either on their way home to shop, or are getting out of town loaded with purchases. It looked something like Christmas time this morning when a foreigner got on a car loaded down with a brand new lobby horse.

MONEY IN BANK.

No Disposition Yet Made of the Centennial Fund—Citizens Wants
Library to Get It.

Other reports to the contrary, no disposition of the Centennial fund has ever been made. There is now a balance in bank amounting to about \$1,300 which is subject to the order of the Centennial Treasurer, I. W. Rutter. It was rumored that this money had been donated to the Young Men's Christian Association some time ago, but this is not the case according to the statement of Mr. Rutter. When the Historical Committee winds up its business, which cannot be done until all collections for the history have been made, a meeting of the Centennial Executive Committee will be held to dispose of the funds. An audit of the Centennial receipts and expenditures is also to be made. Speaking of the disposition of this fund this morning, a prominent citizen of town said that it should be given the Carnegie Free Library. He said: "The Library needs that money worse than any other local institution. The Y. M. C. A. has been generously treated by the citizens of town and of the two the Library, to me, seems to have a stronger claim on it."

ATTEMPT TO WRECK

Made With Buffalo Express on Allegany Division of the West
Penn Last Night.

UNIONTOWN, Pa., Oct. 31.—Two attempts were made last night to wreck the Buffalo Express leaving Pittsburg at 11 o'clock for D. Y. Tower sixteen miles above here, at a point where the tracks of the Buffalo and Allegheny Valley Division of the West Penn run close to the Allegheny river.

Two piles of ties were placed on the tracks. Their discovery by Warden F. M. Alvord of this place, who had been after violators of game laws, saved a terrible disaster. Alvord flagged the train with a lantern.

HITCHCOCK MISSING.

Believed Accused Actor Has Jumped
His Bail Bond.

NEW YORK, Oct. 31.—(Special.)—Detectives are scouring the city for the actor, Raymond Hitchcock, indicted by the Grand Jury for wrongfully taking girls. The police declare he jumped his \$2,000 bail.

It Was Held From Late Home this
Morning.

The funeral of the late Christian Balsley took place from his late residence at East Church place this afternoon at 2 o'clock. Rev. W. A. Eike, of the First Presbyterian church, presided by Rev. C. M. Watson, of the Christian church, officiated.

RATES GO UP.

Boards at the Up Town Hotels Must
Pay \$40 a Month Commencing
Tomorrow.

An advance in rates for regular boarders at the up town hotels has been announced. The new rate will go into effect tomorrow. It will be \$10 per week henceforth. For a number of the monthly patrons of the up town hotels this means 23. They had been able in the past to stay there for a week and have a dollar or two left for clothes and incidentals by close financial planning each month after paying \$32 and \$35 a month, but the last board broke the camel's back. Today they are inquiring for quiet family boarding.

The hotel men have been up against it so on the price of commodities that they were forced to put up the price of board. Most of them have patrons enough each night to occupy all of their rooms at \$2.00 and \$2.50 a day which is considerably better at the end of the month than having the room occupied by a regular boarder at \$35 or \$40 a month.

SCHEDULE CHANGE.

Beginning Tomorrow the Last Car for
Vanderbilt Will Leave at
11.20 O'clock.

Effective November 1, tomorrow, the last car from Connellsville to Vanderbilt will leave at 11.20 P. M. Instead of 11 o'clock. There will be no car on this division between 10 and 11.20.

The theatrical season is now on and the change is principally for the benefit of patrons of the show. It will be possible for passengers on No. 10 to connect with this car when that train is on time. The 11.30 car leaving Uniontown for Connellsville will also connect with this car.

BUYS BUSINESS.

Henry Goldsmith Has Purchased J. H.
Risbeck's Business and Moves
Into His Office.

J. H. Risbeck has sold his insurance and real estate business to Henry Goldsmith, who will move his office into the First National Bank Building into the suite of rooms formerly occupied by Mr. Risbeck. The new owners of the business will attend to all renewals of insurance handled by Risbeck.

For several years Risbeck conducted a real estate and insurance office in Room No. 301 of the First National Bank Building, which is to be occupied by Mr. Goldsmith in a few days.

POSTPONED AGAIN.

Supreme Court Holds Cate Appeal
Over Until Next Monday.

UNIONTOWN, Oct. 31.—The Supreme Court yesterday announced a postponement of the Cate hearing until next Monday. In order that a further search for the missing notes of testimony may be made. It is not expected that those notes will be found, and what action the Supreme Court will take is problematical.

BOLD ROBBERY ON THE PINNACLE.

William Campbell's Meat Shop Broken Into and \$16 and
a Quarter of Beef Stolen.

With two policemen "on the job" and patrolling in the vicinity all night, a daring robbery was committed on the Pinnacle last night when the butcher shop of William D. Campbell and general establishment of James C. Duffley were entered and burglarized. At the former place the intruders succeeded in getting \$16 in cash and a quarter of beef. At Duffley's shop they got away with several cans, stoves and some hair tonic.

Both places are located close together on East Main street, between the points where Apple and Snyder street intersect. Entrance was gained through a rear window in each instance. It is thought that the stores were rifled between the hours of nine and 10 o'clock last night. Jeffrey was in the shop until nine o'clock, and when he returned an hour later things were badly upset. Officer Howard Anderson and Special Officer Snyder were both doing duty on the Pinnacle. It has been supposed that the robbers had them under surveillance and took an opportunity to break into the stores when they were away from the vicinity. Several alarms lead to a dark vacant lot in the rear of the premises, and it would have been an easy matter for men to work unseen.

Laid Down on Track.

Man Near Tarr Was Rescued by a Scottsdale Man.

SCOTSDALE WATER ANALYSIS.

State Department of Health Finds a Small Percentage of Pollution and Advises the Very Strictest Precautions Against Fever.

SCOTSDALE, Oct. 31.—The warmth of Wednesday afternoon and apparent desire to get back to nature came near ending the life of J. McGuire of Brownfield and probably tightening a West Penn motorman into collapse. McGuire seems to have filled up on that which made several ditches some-what famous and laid his body down on the West Penn Railway around a curve from Tarr just a few minutes before the 4:10 car was due there. He was sobbing softly to himself when J. Allen Porter, the health officer, who had been doing some work at Tarr, came along and dragged McGuire to a place of safety to complete his sleep. There is a shed at the point where McGuire laid himself down and the car could not have possibly seen the man until he was right on him when the car came bounding along. If the man had stuck on the truck he would have been a dead end today.

The Scottsdale Board of Health has given a new warning to the people to boil the water they drink. This is the result of the last analysis of the mountain water which the town is supplied, and which is shown to have a slight sewage pollution in its germ. The typhoid fever, which was somewhat prevalent in town during the past several weeks, seems to have abated but it is believed that no precaution should be neglected. The water is much better than that in many towns but it is not entirely free from danger to its users. Several at external examinations have been made of the water and it is apparently in clean condition, but it seems that the contamination is creeping into some stream that leads down to the sewerage. Steps have been taken to find the source of the slight pollution and eradicate it.

The Scottsdale Y. M. C. A. is making great preparations for the monthly meeting to be held in Geyer's Opera House for next Tuesday night. The meeting will be held on Sunday afternoon at 3 o'clock, and the speaker secured is an evangelist, F. B. Williams who is now at New Geneva. His subject is one that will interest all. Why Was Christ Born of Woman?

BOOM FOR YOUGH.

McKeesport Chamber of Commerce Take Matter Up Again and Will Continue Their Work.

McKEESPORT, Oct. 31.—The project to improve the Yough river is being carried out by the McKeesport Chamber of Commerce. The matter of having the stream made navigable has been agitated for several years. Two surveys have been made one to have the river improved to Connellsville and the other to West Newton. Congress man A. E. Cooper has a bill in Congress for the improvement to Connellsville while Major Powell had a survey made as far as West Newton. If the Cooper bill fails to get recognition the Chamber of Commerce hopes to get the improvement through as far as West Newton. The committee on Tuesday night instructed Secretary J. C. Devenny to communicate with Major H. C. Newcomer of the State of Ohio, Engineer in Charge at Pittsburgh and arrange a date for a conference with the committee in regard to the Yough river improvement. It is expected to take the matter up at once.

The communication from the National River & Harbor Congress which meets at Washington D. C. December 4, was discussed. The Chamber of Commerce is invited to be represented but the committee was not clear in the matter and referred it to the Board of Directors which will hold a meeting on Friday evening.

Mrs. A. Cuneo's Funeral. The funeral of Miss Catherine Cuneo, daughter of Louis and Catherine Cuneo took place this morning at 1:30 o'clock from her late residence on Queen street. Requiem high mass was celebrated at 9 o'clock at the Immaculate Conception Church on East Main street by Rev. Father J. J. Butts. Interment in St. Joseph's cemetery.

B. & O. SCHEDULE.

Officials Go East Last Night to Arrange Fall Time Card. Operating and traffic officers of the Baltimore & Ohio will meet in Baltimore today to arrange for the fall time card which is to be put into effect on November 24, according to the present management. Superintendents Dyer, Johnston and Temple of the Chicago, Cleveland and New Castle divisions, respectively, and Superintendent J. J. Driscoll of the Connellsville division joined General Superintendent Finney of the Pittsburgh system and Superintendent Peck of the Pittsburgh division last night and went east on No. 10.

The last freight schedule will be arranged along with the passenger schedule. Both freight and passenger officials will attend this meeting while the final meeting for the time card will be held in a couple of weeks.

NEED 100 MORE.

Today and Tomorrow a Great Sport Will Be Made in the Y. M. C. A. Campaign.

Just 100 more names must be added to the list of the membership of the Y. M. C. A. in the next 36 hours of the campaign will fall short. Today and tomorrow a great sport will be made in the Y. M. C. A. campaign. Every member of the Board of Directors and the Membership Committee and many other workers are expected to help tomorrow. Many have worked evenings who are so situated that they cannot get out during the day. Those who can help in the big race with time tomorrow are requested to call up the association and indicate how much time they can give. All is anticipation and bustle about the building today. Every one sees the necessity of the most strenuous efforts to close up tomorrow night. C. G. Mitchell again took the lead yesterday in Mr. Leche's absence from town and went to the lead. The contest is a friendly one, none seeming to think of winning the prizes but only reaching the goal.

All members of the association are invited to come in tomorrow night and hear the fun. Bring names with you. The closing hours will be full of significance. A very special invitation is extended to all new members to drop in and enjoy the fun. Snatches and a Halloween lunch for all members.

Any who have not been solicited for membership are invited to send their names and the association will do the rest. New members added yesterday were:

- Salvatore Fusco, Paul Hillard, A. W. Bishop, James T. Buhans, Clyde D. Kimball, William Thomas, Mutt, Chester C. McKesson, Ralph S. Norton, William A. Bishop, William T. Reid, Dr. Charles W. WHO USES HYOMEL?

The Best People in Connellsville, Says A. A. Clarke—Guaranteed in Cataractal Trouble.

No other remedy or medicinal treatment has ever been as popular or made so many remarkable cures in Connellsville as Hyomel.

The best people attest its curative virtues says A. A. Clarke who is the local agent. The lady who in which Hyomel was sold to refund the money unless it gave satisfaction was the best proof when it was introduced that it possessed unusual curative power.

A. A. Clarke took all the risk of the treatment giving satisfaction and left it to the purchasers to be the judge. Later when Hyomel was used and recommended by our well known physicians and business men and their wives as a treatment that absolutely cured cataract no matter how set in or how long standing, the sales rapidly grew and today there is no other remedy in A. A. Clarke's large stock that has such a large and staple sale.

The first breath of Hyomel's real air kills all the cataractal poison. Hyomel today on A. A. Clarke's offer to refund the money if the treatment does not give you satisfaction and you will soon become its friend and recommend it to others. There is nothing else that gives such quick curative results in cataract conditions.

NEW MINING TOWN

Will Be Built in Washington County to Develop Coal Field.

Plans were made public yesterday by the Pittsburgh Bureau Company to the development of 14,000 acres of coal lands near Zollarsville, Washington county at a cost of over \$5,000,000. Two of the largest shift mines in the world will be sunk and a mining village to be known as Matlana with a population of between 10,000 and 15,000 persons will be created next year.

The property adjoins the coal lands of the Jones & Laughlin Steel Company and Lackawanna Steel Company to which the Pennsylvania Railroad is building a new line from both the Monongahela division and the Pennsylvania.

SCHOOL REPORT FOR SECOND MONTH.

Principal W. S. Deffenbaugh
Gives Figures for the Sev-
eral Rooms.

THE TOTAL ENROLLMENT 1,568

Teachers' Meetings Were Productive
of Much Interest Among the Corps.
Statistics for the Several Rooms in
Detail.

Supervising Principal W. S. Deffenbaugh yesterday gave out his report of the Connellsville public schools for the second month of the term, ending October 25. The total enrollment was 1,568, the average attendance 1,425. There were 63 visits to the schools by patrons. The Principal's visits were 90 thorough and 30 ward, a total of 120. There was one general teachers' meeting, four ward meetings and four grade meetings. The High School had an enrollment of 146, an average attendance of 136 with a percentage of 93. The figures for enrollment, average attendance and percentage, in the High School were as follows: Freshmen, 54, 58, 94; Sophomores, 34, 31, 91; Juniors, 30, 29, 96; Seniors, 18, 18, 97.

The detailed figures for the ward school, the first figures denoting the enrollment, the second the average and the third the percentage for the several schools of the borough were as follows:

RUN ON SOCK BANKS.

Small Investors Are Drawing on Hoards and Purchasing Stock Market Bargains.

SMALL ORDERS CROWD WIRES

Thousands of Petty But Strictly Cash Transactions Are Bringing Long-Headed Cash Into Light of Day. Aggregate is Very Large.

New York, Oct. 31.—The financial situation is so nearly normal that there are few new features of importance. It is stated by bankers that the calls for money from the neighborhood of New York and the entire east appear to be practically satisfied as much calls for currency of all sorts have been received from the Mississippi. These calls are being met as fast as conditions permit. Mr. Williams, the new state superintendent of banks, gathered up most of the cash in the suspended banks and deposited it with going institutions, thereby adding several million dollars to the funds available in the market. The light balances against banks at the clearing house were smaller than usual under normal conditions, all such balances aggregating only a little more than \$9,000,000 on clearings of \$2,000,000,000.

One of the points at which the most serious pressure for money is expected is at New Orleans, in order to finance the movement of the cotton crop. The pressure there is always heavy at this season of the year and promises to be even more intense this year unless special precautions are made. The New Orleans bankers appear to be fully alive to this situation and are endeavoring to arrange for transfers of money from Europe in payment for cotton through the fiscal agents of the United States in Europe, thus direct transmission by cable to New Orleans.

Small Investors Buying.

One of the most interesting developments is the large amount of the purchase of securities in small lots for investment. Most of the large private banking houses which sell stocks and bonds have been keeping clerical forces at work over time, executing such orders and attending to the transfer of titles to the securities on the books of the corporation by which they are issued. This is one of the distinctive marks of investment buying. It is estimated by good judges that there are 400,000 more names of stockholders on the books of the railway and industrial corporations than was the case a year ago. A single large firm reports sales between \$500,000 and \$750,000 a day. Another firm states that its wires to outlying places are crowded with small orders directing the transfer of the securities to the names of new owners, while still another firm declares that there has not been a movement of this kind of such volume for 20 years. While it requires a good many sales in small securities on the stock market, the effect of every such withdrawal from the quantity of speculative stocks is beneficial to the market.

Kessler & Co. Assign.

Inability to sell as usual their foreign drafts and the serious illness of one of the partners who had been relied upon to furnish immediate cash for maturing bills brought about the assignment of Kessler & Co. to internal brokers. The firm has outstanding acceptances of between \$500,000 and \$1,000,000, but a detailed statement of liabilities and assets is not available. The assignee is William Williams. The firm members are Alfred Kessler, Rudolf E. F. Filsch and William K. Gillette. Mr. Filsch is on his way home from Europe and Mr. Gillette is confined to his home here by sickness. The firm is said to have railroad and mining interests in the vicinity of Cripple Creek, Col., and other assets.

San Francisco, Oct. 31.—The California Safe Deposit and Trust company bank has closed its doors. A notice on the door stated that "owing to the fact that the clearing house association and was unable to take advantage of clearing house certificates it would close for a few days." The company was regarded as one of the strong financial institutions of the city.

SLUG SILVER MONEY BACK TO THE BANK

New Brighton, Pa., Oct. 31.—A large bulk of silver coin was taken back to the Union National bank by foreigners, who, panic-stricken, made a run on the institution. A Hungarian woman misinterpreted a garbage dump sign and running to a manufacturing plant shouted, "No interest at the bank. It's no good." The foreign workmen, hatless and coatless, rushed to the bank. All were promptly paid in silver. Some had so much that they had to take off their shirts to make money bags. Today nearly all took their money back after spending a sleepless night guarding it.

Greensburg, Pa., Oct. 31.—Daniel Harvey, age 45, a well-known citizen of Carbon, was killed by a train.

One of the Important Duties of Physicians and the Well-Informed of the World

is to learn as to the relative standing and reliability of the leading manufacturers of medicinal agents, as the most eminent physicians are the most careful as to the uniform quality and perfect purity of remedies prescribed by them, and it is well known to physicians and the Well-Informed generally that the California Fig Syrup Co., by reason of its correct methods and perfect equipment and the ethical character of its product has attained to the high standing in scientific and commercial circles which is accorded to successful and reliable houses only, and, therefore, that the name of the Company has become a guarantee of the excellence of its remedy.

TRUTH AND QUALITY

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing, therefore we wish to call the attention of all who would enjoy good health, with its blessings, to the fact that it involves the question of right living with all the term implies. With proper knowledge of what is best each hour of recreation, of enjoyment, of contemplation and of effort may be made to contribute to that end and the use of medicines dispensed with generally to great advantage, but as in many instances a simple, wholesome remedy may be invaluable if taken at the proper time, the California Fig Syrup Co. feels that it is alike important to present truthfully the subject and to supply the one perfect laxative remedy which has won the approval of physicians and the world-wide acceptance of the Well-Informed because of the excellence of the combination, known to all, and the original method of manufacture, which is known to the California Fig Syrup Co. only.

This valuable remedy has been long and favorably known under the name of Syrup of Figs—and has attained to world-wide acceptance as the most excellent of family laxatives, and as its pure laxative principles, obtained from Senna, are well known to physicians and the Well-Informed of the world to be the best of natural laxatives, we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy. Without doubt it will always be called for by the shorter name of Syrup of Figs—and to get its beneficial effects always note, when purchasing, the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package, whether you simply call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna—as—Syrup of Figs and Elixir of Senna—is the one laxative remedy manufactured by the California Fig Syrup Co. and the same heretofore known by the name—Syrup of Figs—which has given satisfaction to millions. The genuine is for sale by all leading druggists throughout the United States in original packages of one size only, the regular price of which is fifty cents per bottle.

Every bottle is sold under the general guarantee of the Company, filed with the Secretary of Agriculture, at Washington, D. C., and the remedy is not adulterated or misbranded within the meaning of the Food and Drugs Act, June 30th, 1906.

TRAFFIC PARALYZED

Huntingdon & Broadtop Railroad Completely Tied Up by Trainmen's Strike

Huntingdon, Pa., Oct. 31.—The situation in the strike of the trainmen on the Huntingdon & Broadtop railroad is becoming more acute. The brotherhood men who are out have refused to confer with Vice President Carl M. Gago because of his previous declaration that no advance in wages would be granted by the company.

No freight has been hauled on the line since the strike was declared and the two passenger trains now running are still manned practically by the railroad company's clerical force. The engineers are not members of the brotherhood. A large number of non-brotherhood conductors have arrived here to take the places of the strikers. Some of these, after learning of the situation, refused to work and returned to their homes. The entire railroad and coal interests in the Broadtop region are paralyzed.

The miners in almost all the principal mines are idle because of lack of facilities for coal shipments. The Saxton furnace, one of the largest in the region, has closed down and the Riddiesburg furnace can only hold out for a week longer, their supply of ore and coal being exhausted.

An additional force of the state police has arrived supplemented by several Philadelphia detectives. The situation is made doubly difficult for the railroad management because of the refusal of the Pennsylvania road train men to handle any freight that may eventually come over the Huntingdon & Broadtop road under new employees.

COULD NOT COLLECT

South Baltimore Steel Car and Foundry Company Asks Receivers.

Baltimore, Oct. 31.—Application has been made in the United States circuit court for the appointment of receivers for the South Baltimore Steel Car and Foundry Company. The application was filed by Bond, Robinson & Day, attorneys for the Maryland Car Wheel company. This receivers agreed on are James Ford and A. B. Worthington.

It is stated that while the embarrassed company has liabilities closely approaching \$1,000,000 the company has plenty of assets on which it is at present unable to realize and will pay dollar for dollar. It is said that liability of the present company to have collections promptly for cars delivered to railroads is the main reason for the company's embarrassment.

The car works recently laid out about 2,500 men and had been running its plant with about 800 employees. The reduction in the working force was made when the company completed a number of big contracts which it had on hand.

Consolidation

Consolidation, Pa., Oct. 31.—All but the peddlers employed in the local mills of the Alan Wood company and the Longwood Iron company will have their wages reduced 10 per cent.

Altamora, Pa., Oct. 31.—Seven boys whose ages range from 7 to 12 years, evidently members of an organized band of thieves, were arrested for stealing copper and selling it to junk dealers. They confessed.

ITCH IN THE SKIN, NOT IN THE BLOOD.

People With Eczema, Etc., Make Grievous Error by Taking Medicine Into the Stomach.

When your hand is seared with hot water until it blisters and burns, you don't drink medicine to cure it. You apply a healing ointment to the injured skin.

Eczema, psoriasis, salt rump, hives, itchy and other such diseases of the skin cannot be cured by pills or the stomach with medicine any more than you can cure a burn by drinking medicine. To cure these diseases you must apply the remedy on the part affected. The diseases named are cured and heal the skin so perfectly that you can never tell where the disease was.

"No tongue can tell nor pen portray what I suffered in ten years from Eczema," writes Mrs. R. E. Latta of Garrettsville, Mo. "I was treated by the best doctors in the West, but received no benefit. Three bottles of D. D. D. cured me sound and well. Six or eight months have passed and there is no sign of a return. My advice to all is, don't delay. Begin the use of D. D. D. at once and be cured."

We have carried D. D. D. for a long time because we know it does away with the itch, and we believe it to be an infallible remedy in the treatment of Eczema and other skin diseases. J. C. Moore, druggist, Come-laville, Pa.

PRESS AGENT YARNS.

Good Things That Are Claimed for Coming Shows in Connelleville.

"East Lynne" will be presented at the Colonial Theatre on Friday evening, November 1, by Joseph King's excellent company. The American public has today finds greatest delight in the drama that has a big human note, that deals with elemental passions and sorrows, and that tells a gripping vital story. It is a rare reborn. You know "East Lynne" contains these elements. How often have you said, "I would like to see it played by a good company."

Humpty Dumpty.

Bright, exhilarating, sparkling, hilarious "Humpty Dumpty," which will be seen at the Colonial Theatre on Saturday evening, November 2, in all its gorgeous splendor, presented by one of the most capable companies that has ever appeared in this country, headed by that limelight clown and comedian, James H. Bondell, one of the most notable laugh producers of the present day. Is a production that should certainly appeal to every eye, as it is the most complete and refined presentation of Mother Goose's fairy story ever given.

"Humpty Dumpty" is full of surprises, laughter, regains supreme command the performance and the many scenes, brilliant, electrical effects, beautiful transformations and elaborate costumes, with the novel tricks and illusions and high class vaudeville features, holds the audience in continual wonderment from the rise to the fall of the curtain. SMALL CHANGE.

Small change is a small matter that becomes a very large one when you suddenly find yourself out of it. Merchants have lost sales through inability to make change. Some people are so impatient they won't wait. Among the many little things that this bank does for its patrons is to keep on hand a plentiful supply of small change at all times. Bring your big bills or checks here when you want small change.

It's Always a Pleasure to Us to Serve You in Any Baking Matter.
